To: Assistant Chief, Audio Division
Media Bureau

MOTION TO ACCEPT SUPPLEMENT

Bryan A. King ("BK")¹, licensee of Station KOTY(FM), Mason, Texas, hereby moves for acceptance of the accompanying supplement to the record in the above-captioned proceeding. The purpose of the supplement is to provide an updated list of broadcast services within the proposed gain and loss areas. The Commission may accept this supplement as a matter within its discretion. *See Nogales, Patagonia, and Vail, Arizona*, 16 FCC Rcd 20515 (2001); *Wallace, Idaho and Lolo, Montana*, 14 FCC Rcd 21110 at n. 1 (1999).

¹ The initial sponsor of the counterproposal, which would change the channel for Station KOTY(FM) from Channel 239C2 to Channel 240C2, re-allot that channel from Mason to Mertzon, Texas and modify the license of Station KOTY(FM), was BK Radio. However, on March 9, 2004, BK Radio assigned the license for Station KOTY(FM) from itself to Bryan A. King, one of the partners in BK Radio.

WHEREFORE, BK respectfully requests the acceptance of the accompanying supplement.

Respectfully submitted,

BRYAN A. KING
